

Truth by **Ria Shroff**

A lie spoken here
A lie thrown there
A lie covers the world,
Transferring around everywhere.

A secret is buried
Buried down deep
Buried down,
To where the deathly hallows can't even reach.

"End times are quickening," they say
"The lights are going out"
But why is this happening
Why won't you ask without a doubt

Trapped in a society
With infinite words and actions
Where everything is fabricated,
Cause, after all,
it's all about the reactions

But time is ticking
Giving us an admonition
Warning us that one day we'll all be dead,
And, left, there won't even be a mortician.

So what will you choose?
Uncover the truths of this unjust chess society,
Or simply sail in its warm, but lone,
midnight blues?
